---	--

The goal for the GAGC 40th annual convention is to provide a venue for gifted program educators to gather best practices that improve equity and access for gifted services for students in our state.

The GAGC convention is the largest professional development opportunity for educators seeking information and resources to meet the needs and educational requirements of Georgia's gifted and talented youth. Stay ahead in today's competitive marketplace by providing services and resources to educational professionals and parents of the gifted!

Who Attends?

Typically attracting over 500 participants, convention attendees are educational professionals, decision makers, and parents of gifted children from across the state of Georgia. Participants look for exhibitors who represent a wide variety of products and services to support the educational needs of gifted children and enhance the life of educational professionals.

Why Exhibit?

- * Networking Opportunities
- * Reach Potential Clients
- * Best Opportunity in Georgia ... the only trade show for parents and educators of gifted and talented students in the state
- * Brand Awareness
- * Generous Exhibit Hours
